REPUBLIC OF PANAMA CAMPUS

# About Us

Florida State University has been in Panama since 1957 and is the second oldest university in the country. Its campus is located in the City of Knowledge, a unique environment of academic and research institutions located between the Panama Canal and the Camino de Cruces National Park – a rainforest of incredible beauty and one of the most biologically diverse on the planet.

Florida State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate, baccalaureate, master's, specialist, and doctoral degrees. Florida State University Panama is a branch campus of Florida State University located in Panama, Republic of Panama, and is dependent on the continued accreditation of the parent campus located in Tallahassee, Florida. The Panama, Republic of Panama, campus is evaluated during reviews for reaffirmation of accreditation.
