Florida State University has been in Panama since 1957 and is the second oldest university in the country. Its campus is located in the City of Knowledge, a unique environment of academic and research institutions located between the Panama Canal and the Camino de Cruces National Park – a rainforest of incredible beauty and one of the most biologically diverse on the planet.

Florida State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate, baccalaureate, master’s, specialist, and doctoral degrees. Florida State University Panama is a branch campus of Florida State University located in Panama, Republic of Panama, and is dependent on the continued accreditation of the parent campus located in Tallahassee, Florida. The Panama, Republic of Panama, campus is evaluated during reviews for reaffirmation of accreditation.

Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Florida State University.

Florida State University offers 106 bachelors’ degree majors that can be started in Panama and completed at the main campus in Tallahassee.

About Us

Attending FSU-Panama and completing at our main campus in Tallahassee allows Latin-American students to receive a bachelor’s degree from one of the best universities in the United States at a fraction of the cost typically associated with the pursuit of a U.S. college education. All of our classes are in English.

Students can complete in Panama the Liberal Studies requirements, as well as certain pre-requisite courses, for all the majors offered at our main campus in Tallahassee, including those programs leading to careers in Engineering and Business.

Florida State University - Panama offers five (5) Bachelor’s degrees and one (1) Master’s degree that can be completed in the Republic of Panama branch campus without having to transfer to main campus in Tallahassee, Florida:

- International Affairs (BS)
- Environment & Society (BS)
- Latin American & Caribbean Studies (BS)
- Computer Science (BS or BA)
- Interdisciplinary Studies in Social Science (BS)
- Master of Science in International Affairs
LIBERAL STUDIES

The Liberal Studies curriculum is designed to ensure breadth in the student's academic experience while at the same time offering flexibility in satisfying requirements. It comprises five areas of study that provide students with essential competencies and introduce the student to broad areas of knowledge. Students can complete their Liberal Studies entirely at FSU Panama and then choose one of the bachelor's degrees offered on campus.

BUSINESS COURSES

FSU-Panama offers students interested in business the opportunity to complete business pre-requisites and a set of business core courses in Panama, and the courses related to their areas of concentration in Tallahassee. Areas of concentration include Accounting, Finance, Management, Management Information Systems, Marketing, Real Estate, and Risk Management/Insurance. For more information check out the FSU Business webpage at www.cob.fsu.edu.

SCIENCE & MATH

The breadth of the Math and Science curriculum at FSU-Panama enables students to sample a wide variety of courses so they can fulfill the Liberal Studies requirement and prepare them for science and engineering majors, or a career in the medical sciences. In order to ensure the appropriate placement of students in their first Math courses, students may take a placement exam at the start of their first semester.

FSU-TEACH
FSU-TEACH is a collaborative program between the College of Arts & Science and the College of Education, which allows students to simultaneously prepare for a career in science or mathematics, the fine and teaching of science or mathematics.
Students from Latin America and the Caribbean that plan to transfer to our main campus are eligible for the 2+2 Scholarship, after completing a minimum of 60 credit hours in our campus in Panama. This scholarship is based on academic performance and allows students to continue their studies at our main campus paying in-state tuition (an annual saving of approx. $15,000). Conditions of eligibility:

1. Be a citizen of a Latin American or Caribbean country.*
2. Be officially admitted as a regular degree-seeking student by FSU.
3. Complete at least 60 credit hours of course work at FSU-Panama within two years of being admitted (accelerated credits through the IB, AP, or CLEP exams, and transfer credits will not be counted into those 60 hours).
4. Have a cumulative grade point average of 3.0 (on a scale of 4.0) on all FSU coursework at the moment they transfer and maintain it during their 2 years at the main campus. Transfer coursework cannot be used to raise GPA.
5. Complete the Liberal Studies requirements before transferring to the main campus

*Only eligible countries

**FINANCIAL ASSISTANCE**

FSU Republic of Panama campus offers a local payment plan which allows students to pay their semester tuition in three or four portions. Panamanian citizens and legal residents of Panama may request an IFARHU loan or apply for an IFARHU scholarship both FSU Panama and FSU main campus tuition/fees. For more information about any of these options, please contact us at rop-admissions@fsu.edu
The following financial support options are available to eligible US citizens, and they can be used towards the FSU Panama cost of attendance: Federal Financial Aid (FAFSA)*, Florida Bright Futures Scholarship, Florida Pre-Paid (FPP), and Veterans benefits.

Dual citizens (US and Panama) may also be eligible to request an IFARHU loan or apply for an IFARHU scholarship for both FSU Panama and FSU main campus tuition/fees.

Additionally, FSU Panama offers the installment plan, which allows students to pay their semester tuition in three or four portions.

For more information about any of these options, please contact us at rop-admissions@fsu.edu.

* Students must have been admitted as degree-seeking.

FSU TALLAHASSEE

Non-Florida US citizens that transfer from FSU Panama to FSU Tallahassee campus may be classified as “Florida Residents” for tuition purposes, if they have lived in the Republic of Panama and have attended FSU Panama for at least 12 consecutive months. Students will need to be formally admitted as degree-seeking prior to their transfer semester.

Florida State University – Panama campus offers students a pleasant and comfortable learning and living environment with necessary facilities such as computer labs, science labs, library, on-campus housing, bookstore/copy center, basketball court, as well as a cafeteria/recreation area.

**Laboratories**

Laboratory facilities for Computer Science, Chemistry, Physics, and Biology, equipped with state-of-the-art technology and supplies.

**Library & Bookstore**

The university's library contains approximately 50,000 volumes, the largest English language collection in the Republic of Panama. It is connected to FSU's main library system in Tallahassee, which makes over ten million volumes available to the students and enables them to carry out advanced research in all areas of study. At the bookstore, students can print documents and have copies made of materials that are not copyrighted. They can also purchase exclusive FSU merchandise.

**Student Lounge**

The university has a student lounge where students can spend their spare time, meet friends, and have a snack. The university cafeteria is located in the lounge and offers snacks, refreshments, breakfast, lunch, and dinner options. Additionally, the lounge includes a game room with a pool table, ping pong table, TV, and comfortable seating area with couches.
LEARNING CENTERS

FSU Panama has a Math Learning Center and an English Writing Center led by faculty members. Their mission is to assist in the enhancement of the student’s academic skills and aid students who are experiencing scholastic difficulties in English and Mathematics.

ACADEMIC ADVISING

Through the process of academic advising, students receive individually tailored orientation regarding academic programs, course choices and career options. The academic advisors provide the students with information about academic policies and requirements, informs of changes in the University’s policies and curricula or in the student’s academic standing.

WELLNESS WORKSHOPS

The goal of these Wellness Workshops is to deliver the tools our students need to build emotional strengths and resilience, handle stress, and develop healthy coping mechanisms.

LUNCH & LEARNS

Every other week, FSU Panama hosts a Lunch & Learn lead by a recognized guest speaker, who lectures our students on a particular subject of interest. Students get to enjoy some free food and learn something new.
FSU Panama encourages students to be active both inside and outside the classroom. At FSU Panama, you’ll find a significant amount of student organizations such as the Student Government Association, Debate Club, Music Club, Environmental Club, Pride Club, Book Club, and Writing Refinement Club. The goal of these student organizations is to create an environment of openness and comfort that is conductive to learning and personal growth. They allow students to foster their social and physical development, academic achievements, and improve their overall college experience.

The primary focus of athletics at FSU Panama is to provide opportunities for students to participate in activities that are wholesome and competitive, as well as expose them to a variety of sports. Organized sports at FSU Panama include Soccer, Volleyball, Basketball, Cayuco, Flag Football, and Frisbee.

Every semester, different activities are planned which bring the student body and the university faculty and staff together in very relaxed, informal settings, creating a stronger university community. The events include Cookouts, Club Fairs and sports competitions.
