

Commercial Solicitation on Campus Republic of Panama

All soliciting done on the University premises must be approved by the Rector of FSU Panama or designee, except for the sale of newspapers in the university residences, which is subject to the approval of the Housing Coordinator, and certain approved activities sponsored by student organizations. In most cases, commercial solicitation will not be allowed, unless the university has a prior agreement with a sponsor, or whenever the service or product may support the educational mission of the university.

The University also has a strict policy for Posting, Promotions, Advertising, Chalking, and the Distribution of Materials on the FSU Campuses. Students may not post any material used for the purpose of advertising, regardless if promotional, commercial or informational in nature, on any object, unless prior approval has been sought.
